I hope you come tomorrow
There's another punk rock show
There will be many bands
Playing all their melo songs
Should I wait for you
Or should I stay alone at home?
Maybe you recall
The poetry of my last words
"... Lovely words in lovely songs,
Lovely smile with lovely lovely jokes..."
Anyway, I'll be here waiting
I'll be behind the backdoor
To see if you'll come alone
I really wanna be with you
But don't have any clue
Anyway, I'll be here waiting
I'll be behind the backdoor to see if you come alone

We can be together,
We can love forever
We can sing the lovely words

"... Lovely words in lovely songs,
Lovely smile with lovely jokes..."
