When I talk about it, it carries on For reasons only knew When I talk about it, the areas are For reasons only knew

Big Me to talk about it I could stand to prove If we can get around it I'll know that it's true

When I talk about it, it carries on For reasons only knew But it's you I fell in to

Well I talked about it, carries on For reasons only knew When I talk about it, the areas are For reasons only knew

Big Me to talk about it I could stand to prove If we can get around it I'll know that it's true

Well I talked about it, put it on Never was it true But it's you I fell in to

Well I talked about it, put it on Never was it true But it's you I fell in to
