where's this come from? he's just as
Where's this come from
He's just as dumb
As he denies

He never lies
Her new disguise
Is butterflies

I'm all sick for you
I'm not a fool
You're the one that bothers me
I am not a fool
You're the one pretending to be

I die for some
Rare pelicans
In wonderland

If she was true
She'd make them blue
Everytime (yeah it goes)

Where's this come from
He's just as dumb
As he denies
