You got away got away got away from me  
Now get away get away get away from me

I couldn't grow just living in the shadow  
Where do you go when no one's following you?  
You ran away ran away it was right on cue

Said I go on and on and on and on and on and on with  
it

Rosemary you're part of me  
You know you are you are you are  
Rosemary you're part of me  
You know you are you are you are  
Rosemary you're part of me

Truth ain't gonna change the way you lie  
Youth ain't change the way you die

Dear Rosemary  
Dear Rosemary

You got away got away got away with it  
You got away got away got away with it

False starts young hearts get shattered  
Pick up the pieces coming down around you  
You ran away ran away it was right on cue

Said I go on and on and on and on and on and on with  
it

Rosemary you're part of me  
You know you are you are you are  
Rosemary you're part of me  
You know you are you are you are  
Rosemary you're part of me

Truth ain't gonna change the way you lie  
Youth ain't change the way you die

This was no ordinary life (This was no ordinary life)

This was no ordinary life (This was no ordinary life)

[?]

The ones I love

I've grown

Truth ain't gonna change the way you lie

Youth ain't change the way you die

Dear Rosemary (Dear Rosemary)

Be part of me (Be part of me)

Dear Rosemary (Dear Rosemary)

Be part of me (Be part of me)

You got away got away got away from me

Now get away get away get away from me
