Yeah, you know I did it  
It's over and I feel fine  
Nothing you can say is gonna change my mind  
Waited, and I wait at the longest night  
Nothing like the taste of sweet decline

I went down and I fell, I fell so fast  
Dropping like the grains in an hour glass  
Never say forever 'cause nothing lasts  
Dancing with the bones of my buried past

Never mind there's nothing I could do  
Bet your life there's something killing you.

It's a shame we have to die my dear  
No-one's getting out of here alive  
This time  
What a way to go but have no fear  
No-one's getting out of here alive  
This time

I'm finished, I'm getting you off my chest  
Nature come clean in a dirty dress  
A promise is a promise you kept in check  
Hard to cross a heart that beats it's fist

Take a good hard look for the very last time  
The very last one in a very long line.  
Only took a second to say goodbye  
Been a pleasure, but the pleasure's been mine all mine

Never mind there's nothing I could do  
Bet your life there's something killing you.

It's a shame we have to die my dear  
No-one's getting out of here alive  
This time  
What a way to go but have no fear  
No-one's getting out of here alive  
This time

Ain't no way

D.O.A  
Ain't no way  
D.O.A

Take a good hard look for the very last time  
The very last one in a very long line  
Only took a second to say goodbye  
Been a pleasure, but the pleasure's been mine all mine

Never mind there's nothing I could do  
Bet your life there's something killing you.

It's a shame we have to die my dear  
No-one's getting out of here alive  
This time  
What a way to go but have no fear  
No-one's getting out of here alive  
This time

It's a shame we have to disappear  
No-one's getting out of here alive  
This time  
This time  
This Time
