Good and bad  
I swear I've had them both  
They're overrated  
But is it fun  
When you get hold of one

Some grow bad  
And some grow back  
Good ones all get taken  
I'm calling blood  
You ain't strong enough

Wait and pray  
You'll pick on me  
The day I raise my hand  
Guess that I've been blessed  
But I'll be damned

Halo  
God only knows  
Right behind me everywhere I go

Halo  
God only knows  
Right behind me everywhere I go

Say your prayers when you get scared  
Pray you're gonna make it  
And then when you're done  
You keep fucking up

One day soon I'll disappear  
And if you'll come  
I'll take you somewhere to go  
To keep from growing old

Wait and pray  
You'll pick on me  
The day I raise my hand  
Guess that I've been blessed  
But I'll be damned

Halo  
God only knows  
Right behind me everywhere I go

Halo  
God only knows  
Right behind me everywhere I go  
Oh  
Oh  
Oh

Disappear  
The light is fading  
Disappear  
Outside their range  
Disappear  
I'm tired of waiting  
Disappear  
Before we fade away

Halo  
God only knows  
Right behind me everywhere I go

Halo  
God only knows  
Right behind me everywhere I go  
Oh  
Oh  
Oh
