we sat and watched a new day melt 'til dawn
had my share of memories, now it's time to move on
another lonley lesson never turned out wrong
these things I've done without you - should have never
been done
call on me and I'll shout down...

how do you do when I'm not around?
how do you do when I'm not around?

I've never felt this wrong and now I know
this love was burnin' thru me though it never did show
let's spend 2 lives together kissing the stars below
we're hot inside each other - never let you go
call on me and I'll shout down...

how do you do when I'm not around?
how do you do when I'm not around?

call on me and I'll shout down...

how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
how do you do when I'm not around?
