I shoulda known that it would end this way
I shoulda known there was no other way
Didn't hear your warning
Damn my heart gone there

I shoulda known
Look at the shape you're in
I shoulda known
But I don't write in
One thing is for certain
As I'm standing here
I shoulda known

Lay your hands in mine
Heal me one last time
Though I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt

I shoulda known
I was inside of you
I shoulda known
There was that side of you
Came without a warning
Caught me unaware
I shoulda known
I've been here before
I shoulda known
Don't want it anymore
One thing is for certain
I'm still standing here
I shoulda known

Lay your hands in mine
Heal me one last time
Though I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt

No I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt

I shoulda known

Maybe you was right
Didn't want a fight
I shoulda known
Couldn't see the signs
Couldn't run a lie
I shoulda known

Though I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt
Though I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt
No I cannot forgive you yet
No I cannot forgive you yet
To leave my heart in debt
I shoulda known .
