"In Your Honour"

Visit "[In Your Honour](#)" on MotoLyrics.com

Can you hear me?
Hear me screaming
Breaking in the muted sky
This thunder heart
Like Bombs beating
Echoing a thousand miles

Mine is yours and yours is mine
There is no divide
In your honor i would die tonight
Mine is yours and yours is mine
I will sacrifice
In your honor i would die tonight
For you to feel alive

Can you feel me?
Feel me breathing
One last breath before i close my eyes
This offering
For receiving
Deliver me into the other side

Mine is yours and yours is mine
There is no divide
In your honor i would die tonight
Mine is yours and yours is mine
I will sacrifice
In your honor i would die tonight
For you to feel alive

For you to feel alive x3
