"Over 'n Out"

Restless little one
Comfortable and warm
Let me fall apart
Crippled in your arms

Chase me through the dark
Ready on your mark
First to reach the stars
Wins a broken heart
One that broke apart
Shattered from the start

Are you there?
Do you read me?
Are you there?
I don't feel you anymore

Cages and alarms
Keeping us from harm
I will be the guard
Hope to rest upon

Could I be the one
To break a will so strong
Pray it won't be long
Til your will is gone
Everything is done
Nothing left at all

Are you there?

Do you read me?
Are you there?
I don't feel you anymore

Are you there?
Will you give in?
Are you there?
If I give out
Over and out

Cages and alarms

Keeping us from harm
I will be the guard
Hope to rest upon
Everything is done
Nothing left at all

Are you there?
Do you read me?
Are you there?
I don't feel you anymore

Are you there?
Will you give in?
Are you there?
If I give out
