Comin' down, I'm comin' 'round  
This time I think I'm wakin' up.  
Give me love to drown it out  
Before the world starts breakin' up.

You chagin' now.  
You change your gear.  
Turning like a wheel inside your head.

Yours and mine, left and right  
There's still two sides to everyone.  
You and I get on with life  
And pray we find a better one.

You chagin' now.  
You change your gear.  
Turning like a wheel inside your head.

Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Two strangers on the mend.  
Overdrive, we're going life or death  
Overdrive, we're going life or death

Comin' out we're gettin' out  
This time there's nothing stopping us.  
Leave behind this vacant town  
Tonight and let it turn to us

You changin' now.  
You change your gear.  
Turning like a wheel inside your head.  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Two strangers, no relation on the mend.

You changin' now.  
You change your gear.  
Turnin' like a wheel inside your head.

Comin' down, I'm comin' 'round  
This time I think I'm wakin' up.  
Give me love to drown it out  
Before the world starts breakin' up.

You changin' now.  
You change your gear.  
Turning like a wheel inside your head.

Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Two strangers on the mend.  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Overdrive, we're going life or death  
Two strangers no relation  
Two strangers no relation  
On the mend.
