I'm the kind of  
Guy who likes feelin'  
High Feelin' high and dry,  
And I really like to fly  
I'm your kinda guy, girl  
I'm not too shy  
And I want you to fly,  
So I think you oughta try

Ozone, ozone, ozone, ozone

I'm your kinda guy and  
I'm not too shy  
Feelin' high and  
Dry, and I want you to be mine  
So I think it's time,  
Girl, to start feeling fine  
Feeling good all the time,  
So I think you oughta try

Ozone, ozone, ozone, ozone

Now I'm the kinda guy who  
Likes getting high  
Getting high and dry, and  
I do it all the time  
If you think it's a crime and  
You don't wanna try  
Something that'll make you high,  
Then I think I'll say goodbye

'Cos I'm the kind of guy who likes  
Getting high  
Getting high and dry, and  
I do it all the time  
Now I'm much too high, I am  
High and dry  
And I'm feelin' fine, I'm feelin'  
Good all of the time... (to fade)
