Wake up it's time
We need to find a better place to hide
Make up your mind
I need to know I need to know tonight

Sweet and divine
Razor of mine
Sweet and divine
Razorblade shine

Patience my dear
We could spend a lifetime waiting here
Maybe this time
I hope I get the chance to say goodbye
Sweet and divine
Razor of mine
Sweet and divine
Razor of mine

Day after day
Cutting away
Day after day
But anyway

Wake up it's time
We need to find a better place to hide
Make up your mind
I need to know I need to know tonight

Sweet and divine
Razorblade shine
