This indecision got me climbing up the wall
I've been cheating gravity and waiting on the fall
How did this come over me, I thought I was above it all
Our hope's gone up in smoke, swallow your crown

On a kiss, I thought I'd save my breath for you
On a kiss, I thought I'd save my breath for you

Give me some rope I'm coming loose, I'm hanging on
you
Give me some rope I'm coming loose, I'm pulling for
you now
Give me some rope I'm coming, out of my head, into
the clear when you, go,
I, come, loose

These premonitions got me crying up a storm
Leave your condition, this position does no harm

On a kiss, I thought I'd save my breath for you
On a kiss, I thought I'd save my breath for you

Give me some rope I'm coming loose, I'm hanging on
you
Give me some rope I'm coming loose, I'm pulling for
you now
Give me some rope I'm coming, out of my head, into
the clear when you, go,
I, come, loose

Give me some rope I'm coming loose, I'm hanging on
you
Give me some rope I'm coming loose, I'm pulling for
you now
Give me some hope I'm coming through, I'm counting
on you
Give me some rope I'm coming, out of my head, into
the clear when you, go,
I, come Loose
