These notes are marked 'return to sender'
I'll save this letter for myself
I wish you only knew
How good it is to see you

See you.

These steps I take don't get me anywhere
I'm gettin further from myself
One thing is always true
How good it is to see you

See you.

I'm done resenting you,
You represented me so well.
And this I promise you,
How could I end up in the hands of someone else?

These notes are marked return to sender
I'll save this letter for myself
I wish you only knew
How good it is to see you

See you.
