I, I'm A one way Motorway  
I'm a road that drives away  
and Follows you back home

I, I'm a Streetlight Shining  
I'm a White Light Blinding Bright  
Burning Off and On

(Chorus)

It's Times like these You Learn to live again  
It's Times Like these You Give and Give again  
It's Times like these You learn to love again  
It's Times Like these time and time again

I, I'm a new day risin'  
I'm a brand new sky to hang  
The stars upon tonight

I, I'm a little divided  
Do I stay or run away  
Leave it all Behind

It's Times like these You Learn to live again  
It's Times Like these You Give and Give again  
It's Times like these You learn to love again  
It's Times Like these time and time again

(OOOooos)

(Screamed)It's Times like these You Learn to live again  
It's Times Like these You Give and Give again  
It's Times like these You learn to love again  
It's Times Like these time and time again

(Whispered)It's Times like these You Learn to live again  
It's Times Like these You Give and Give again  
It's Times like these You learn to love again  
It's Times Like these time and time again
