I, Im a one way motorway
Im a road that drives away, follows you back home
I, Im a streetlight shining
Im a white light blinding bright, burning off and on

(chorus)

Its times like these you learn to live again
Its times like these you give and give again
Its times like these you learn to love again
Its times like these time and time again

I, Im a new day rising
Im a brand new sky to hang the stars upon tonight
I, Im a little divided
Do I stay or run away and leave it all behind

(chorus)x4
