A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return

I'm learning to walk again
Can't you see I've waited long enough
Where do I begin?
I'm learning to talk again
I believe I've waited long enough
Where do I begin?

Do you remember the day
We built these people mountains
And sat and watched them burn
I think I found my pain
Can't you feel it growing stronger
Little conqueror

I'm learning to walk again
Can't you see I've waited long enough
Where do I begin?
I'm learning to talk again
I believe I've waited long enough
Where do I begin?

Now
For the very first time
Don't you pay no lie
Set me free again

You keep alive a moment at a time
But still inside a whisper to a liar
To sacrifice but knowing to survive
The first to find another state of mind
I'm on my knees, I'm waiting for a sign
Forever, whenever
I never wanna die
I never wanna die
I'm on my knees

Never wanna die
Dancing on my grave
Running through the fight
Forever, whenever
Never wanna die
Never wanna leave
Never say goodbye

I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
Can't you see I've waited long enough
Where do I begin?

I'm learning to walk again
I believe I've waited long enough
I'm learning to talk again
Can't you see I've waited long enough
