Back and forth that voice of yours  
Keeps me up at night  
Help me search to find the words  
That eat you up inside

I go side to side like the wildest tides  
In your hurricane  
And I only hide what is on my mind  
Because I can't explain

What if I do, Lord?  
What if I don't?  
I'd have to lose everything  
Just to find you

What if I do, Lord?  
What if I don't?  
I'd have to lose everything  
Just to find you

It's my turn, this soul won't burn  
So throw me in the fire  
Trophies earned and lessons learned  
From wicked little liars

We could pave new roads

With their cold gravestones  
And wind them through the pines  
Should I stay or should I go alone?  
I cannot decide.

What if I do, Lord?  
What if I don't?  
I'd have to lose everything  
Just to find you

What if I do, Lord?  
What if I don't?  
I'd have to lose everything  
Just to find you
