I know what you're thinkin'
We were goin' down
I can feel the sinkin'
But then I came around

And everyone I've loved before
Flashed before my eyes
And nothin' mattered anymore
I looked into the sky

Well I wanted something better man
I wished for something new
And I wanted something beautiful
And wish for something true
Been lookin' for a reason man
Something to lose

When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come down)

Know your head is spinnin'
Broken hearts will mend
This is our beginning
Comin to an end

Well, you wanted something better man
You wished for something new
Well, you wanted something beautiful

Wished for something true
Been lookin for a reason man
Something to lose

When the wheels come down (When the wheels come down)
When the wheels touch ground (When the wheels touch

ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come
down)

When the wheels come down (When the wheels come
down)
When the wheels touch ground (When the wheels touch
ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come
down)

When the wheels come down (When the wheels come
down)
When the wheels touch ground (When the wheels touch
ground)
And you feel like it's all over
There's another round for you
When the wheels come down (When the wheels come
down)
