I'll take it out of the wishing well
I'm thinkin' I have a plan
Go on with your bad self
What do you see in yourself?

You think you're losin?, it's time to stop accusin?
You're never gonna take a hit on the head
Now, if you don't care
Take a ride somewhere

Hey! It has something you wanna try and buy yourself
Hey! It has something, it goes round and round again
GO! GO! You said that I've been away so long
GO! GO! And the ride was shared ?

G O O O O O O O O O O O L I I I I I M M M O O O H
G O O O O O O O O O O O L I I I I I M M M O O O H

I guess you're stuck in the Habitrail
You've grown to lovin' this shit
Way out on a back shelf
You'll never know what you did

Look what you're doin', now mama says it's ruined
You got a mollusk ? in the palm of you hand
So it's a bad smell
Your ass won't win ?

Hey! It has something you wanna try and buy yourself
Hey! It has something, it goes round and round and
round again
GO! GO! You never have been away so long
GO! GO! And the ride was shared ?
GO! GO! Whatever happened to DayGlo clothes?
GO! GO! And the ride was shared ?

G O O O O O O O O O O O L I I I I I M M M O O O H
G O O O O O O O O O O O L I I I I I M M M O O O H

Yeah
All right!
