When all is said and done
And the air we breathe is not enough
To keep these broken wings floating
Carry on into the sun, into the sun

On into the sun
On into the sun

Looking down at you, sleeping
From above, I love
Looking down at you, weeping
From above, I love

Over and over again
I ride the wheel that turns
Over and over again
i find the soul that burns
And if it has no end
The lonely heart that learns
Over and over again
I ride the wheel that turns

When all is dead and gone
And the air we breathe is not enough
To keep these dying arms, see them
Carry on into the sun, into the sun

Iâ€™m not the only one
Iâ€™m not the only one

Heaven skies are reeling
And my hand that holds the world
Deep inside i'm reaching
Into the universe

Over and over again
I ride the wheel that turns
Over and over again
i find the soul that burns
And if it has no end
The lonely heart that learns
Over and over again

I ride the wheel that turns

Oh, oh, oh

Oh-oh

Oh, oh, oh, oh

Over and over again

I ride the wheel that turns

Over and over again

i find the soul that burns

And if it has no end

The lonely heart that learns

Over and over again

I ride the wheel that turns

Oh, oh, oh

Oh-oh

Oh, oh, oh, oh

Over and over again

I ride the wheel that turns

Over and over again

i find the soul that burns
