Monday morning stormy weather
Afternoon it's getting better
Evening, the sun comes out a while

Everything is changing ,baby
Nothing stays the same and maybe
You will understand it .

Baby, let me tell you something
I really don't need anything
The cookie is dry !
Baby, this is not a secret
I need another liquid and then I
Cook it a while.

Yes I am far away from home
And though I listen to the Beatles
I am a rolling stone.
Yes I am far away from home
Just let me tell you something
Before I'm gone.

I don't like the fish you're cooking
I don't like the way you're looking
Don't you see it makes me nuts

Baby, let me tell you something
I really don't need anything
The cookie is dry !
Baby, this is not a secret
I need another liquid and then I
Cook it a while.
Yes I am far away from home
And though I listen to the Beatles
I am a rolling stone.
Yes I am far away from home
Just let me tell you something
Before I'm gone.

I did not really mean what I said
I'm an idiot and you know that
I will always love you please don't go.
