You came from out of nowhere
Where will you go ?
It seems youÃfÃ, 've always been there
What do we know ?
YouÃfÃ, 've put your life in our hands
Will we ever know why
YouÃfÃ, 're so pure , you just say what youÃfÃ, 're
thinking
You make everything so deep

In your smile, in your eyes
I can see so much of my life
Let your dreams always lead
IÃfÃ, 'll be there for you whenever you need
Count on me

When youÃfÃ, 're weary and troubled
And when all their rules try to put you down
Keep your head always high and donÃfÃ, 't care what
they say
Be yourself and ignore what theyÃfÃ, 're thinking
The most beautiful souls sometimes bleed

In your smile, in your eyes
I can see so much of my life
Let your dreams always lead

IÃfÃ, 'll be there for you whenever you need
Count on me

They will shake you
Try to break you
But i know that theyÃfÃ, 'll never succeed
Cause you are strong
Yes youÃfÃ, 're so strong

In your smile, in your eyes
I can see so much of my life
Let your dreams always lead
IÃfÃ, 'll be there for you whenever you need
Count on me
Count on me

Count on me
