Daihaminkay  
Daihaminko  
I can't explain  
Why is it so ?

My adrenaline  
Is on a level so high  
And when you touch  
Me now i die

My love  
Shoot me away to the stars above

I fly  
I've swallowed  
To much in days gone by  
But I won't swallow  
Anymore I tried to find a light inside this hollow  
Until you came  
There was noone to follow

Daihaminkay  
Daihaminko  
What does it mean  
I do not know

I do not care  
On such a beautiful day  
Daihaminkay  
I hear you say

Yes I am ready my love

I fly  
I've swallowed

To much in days gone by  
But I won't swallow  
Anymore I tried to find a light inside this hollow  
Until you came  
There was noone to follow

Until you came the sky was grey  
And now you brighten up this hollow

And I fly  
I've swallowed  
To much in days gone by  
But I won't swallow  
Anymore I tried to find a light inside this hollow  
Until you came  
There was no one to follow

We are ready for the real life  
We are ready for the real life, baby  
We are ready for the real life  
We are ready for the real life, baby

And I fly  
You can call this world  
And it will hear you
