Today my baby left me with a smile upon her face  
she was talking japanese about some individual space  
and now I find myself inside this jumbo bed  
I cannot eat not sleep nor move  
Oh god I feel so sad

Why did you do it ?  
She said : lift up your head my boy  
Why did you do it ?  
You know there ain't no need to cry  
Why did you do it ?  
It will be funny when I die

Does anybody know ?  
Can anybody say ?  
Will she ever come  
Back in anyway ?  
Does anybody know ?  
Can anybody say ?  
Will she ever come  
Back in anyway ?  
Yeah, yeah, yeah !

She didn't even realize that I changed my mind  
today  
Oh god she was as cold as ice and she didn't melt  
away  
When I told her she's the only one and I would  
always love her

She said I'll always love you too my boy but more  
just like a brother

Why did you do it ?  
She said : lift up your head my boy  
Why did you do it ?  
You know there ain't no need to cry  
Why did you do it ?  
It will be funny when I die

Does anybody know ?  
Can anybody say ?

Will she ever come  
Back in anyway ?  
Does anybody know ?  
Can anybody say ?  
Will she ever come  
Back in anyway ?  
Yeah, yeah, yeah
