Dreaming.

It's not that easy anymore when you say

Dreaming

Did you close the opened door while

In there

We've never been so near the light

Without you.

I'm only half the man inside

See me

You're so much more to me than anyone.

Leaving.

Do you still believe to find by

Leaving

The light that you just left behind and drive

In there.

The sky is dark and full of clouds

Without you.

There's nothing left to kill the doubts

To be with you

Was to be found and now I'm lost again.

Is it wrong? Is it right?

It don't matter if we come home tonight

There's a light,

Let it in again.

Sorry.

I never meant to break your heart,

So sorry.

I didn't see the shining star right

In there

And now I'm lost in all those storms

Without you,

So afraid I miss your warmth.

Forgive me.

Don't let me fall and take me home again.

Is it wrong? Is it right?

It don't matter if we come home tonight

There's a light,

Let it in

Do begin.

Is it wrong? Is it right?  
It don't matter if we come home tonight  
There's a light,  
Let it in again.

It's so easy.  
We only have to go inside,  
So easy.  
Try to make it.  
We'll see the light  
'cause it's in there.

Is it wrong? Is it right?  
It don't matter if we come home tonight  
There's a light,  
Let it in,  
Do begin.

Is it wrong? Is it right?  
It don't matter 'cause we came home tonight  
There's a light,  
Let it in again.  
Let it in.
