(Hinkel / Freudenthaler)

It can happen to you,
It can happen to me,
It can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
It can happen to anyone,
So don't be afraid

I can't fix it,
I can't choose,
The situation is bad
You win I loose
I say: "Sorry",
You say: "No!"
So I will pack my things and go
Maybe it's better when I'm going away,
I think it's better when I'm trying to stay

I say: "Bottom",
You say: "Top",
I could explain
But you say: "Stop"
I can't undo this thing I've done,
I've been an asshole,
Now you're gone
Maybe it's better when you're goin' away,
I think it's better when you're trying to stay

It can happen to you,
It can happen to me,
It can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
It can happen to anyone,
So don't be afraid
Don't be afraid

It's not easy

It's not right
That you say: "Black", when I say: "White"
I feel sorry,
Please believe,
Your little fool has come to grief
Maybe it's better when you're goin' away,
I think it's better when you're trying to stay

It can happen to you,
It can happen to me,
It can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
It can happen to anyone,
So don't be afraid
Don't be afraid

Pretend - release,
The End - I say "Cheese"
I can't - stand no more
