From light to dark the truth reveals itself
As (?) fades away like a sanning sun (Sanning sun)
The story of false, (?)
As we ignore what's more important to us
(?) and pick me up

I'm gonna overcome this one
I'm gonna overcome this one

Light shines through another day in my life
Complications arise, motion sacrifice
Rise to the occasion, shallow and cold
To keep these (?) away from
(?) built inside, I'm gonna be alright
Bound to be sawn

I'm gonna overcome this one
I'm gonna overcome this one
This one
This one
