Hello, who are you?
I never saw this girl before
I was astonished as can be
Somebody told me

She said you're just a hungry little guy
So I would like to offer me
To bake some cake for you
The sweetest one you've ever tried

A special cake for you
The one that makes you satisfied
Good-bye sadness
I'm dreamin' while you slip away

She took me by the hand
She really took me by surprise
One piece of cake was not enough
And so I helped myself

We danced in fool's paradise
And I got drunk of all the love
Then I realized she moved her velvet body over mine
I felt like melting ice

I just admit this woman was divine
Hey, hey, madness
I'm dreamin' while you slip away

While Buddy, the sweeper was singing a sad song
And Mary, the singer swept the street
The honeymoon's floating over the river
Your cake is sweet

I had a heartache
All the pain was over now
She said, "Bye, bye, little babe"
It was nice to meet you

She closed her eyes and disappeared
I hope some day we'll meet again
If apple or cherry-pie

You honey-bee I love the way you bake

Your cakes are wonderful
Don't care about my stomach ache
Good-bye sadness
I'm dreamin' while you slip away

While Buddy, the sweeper was singing a sad song
And Mary, the singer swept the street
The honeymoon's floating over the river
Your cake is sweet
