I'll be the one to steal the show,  
Ran out of gas with no where to go,  
So walk with me now,  
Cause I know that you are the one,  
Take me on,  
Take me over.

I'll be the one to steal the show,  
Ran out of gas with no where to go,  
So walk with me now,  
Cause i know that you are the one,  
Take me on,  
Take me over.

And I'll be the one to walk to slow,  
Ran out of shoes,  
Too many holes,  
So sit with me now,  
Cause I know that you are the one,  
Take me on,  
Take me over.

Tell me what you want from me before I turn and walk,  
Cause it's you,  
You I've waited for,  
For so long,  
And it's you,  
You I've waited for.

And I'll be the one to sit too long,  
The suns coming up,  
But hopes not gone,  
So lay with me now,

Cause I know that you are the one.

Tell me what you want from me before I turn and walk,  
Cause it's you,  
You I've waited for,  
For so long.

And Sing to me the melody,

You know I'd like to hear,  
Cause it's you,  
You I've waited for.

Excuse me when I say,  
That I must be on my way,  
I wont be leaving here all alone,  
I find an empty page,  
Rewind the tape till it fades,  
Until you follow me down, down, down.

Tell me what you want from me before I turn and walk,  
Cause it's you,  
You I've waited for,  
For so long (So long),  
And sing to me the melody,  
You know I'd like to hear,  
Cause it's you,  
You I've waited for,  
For so long (So long),  
Cause it's you,  
You I've waited for.
