What did I say?  
Hate to hear you complain, as if nothing will blow it  
away  
Everything's just fine  
I'll find you there  
And what did I do?  
You seem so confused, so I'll do this once for you  
They won't say it's fine  
I'll find you there

Please don't fall on me  
Cause I can barley breathe  
All on my own  
Don't tell me that it hurts

And I'll be there for you  
You know that it's true  
Everything's just fine  
You'll find me there

Please don't fall on me  
Cause I can barley breathe  
All on my own  
Don't tell me that it hurts

Please don't fall on me  
Cause I can barley breathe (All on my own)  
All on my own  
Don't tell me that it hurts  
Don't tell me that it hurts
