Don't take all of me now  
Cause I can't remember  
If I left enough of you  
Soon a record will die  
And maybe  
The light from a grave will be gone

Pretty little train wreck  
You know  
I'll build you a palace  
So you see what it means to me  
You scream loud to deaf ears  
But you're shaking the leaves of a tree

We need time to move on  
Time to let go  
Time to break free  
We need time to get old

Pretty little train wreck  
You know  
I'll paint you a picture  
Of how it's supposed to be  
Sketch your face on the ground  
And I'll draw your mouth through my

Thanks once again for the gifts  
But I sit and wonder  
What's been done to me now  
We need time to move on  
Time to let go  
Time to break free  
We need time to get old  
[x2]  
Uh uh uh uh uh uh uh ah ah ah

So tell me that it's all the same  
Familiar faces change  
The story still remains  
The same

We watch as the buildings go down

Everyone will fall  
It doesn't change the ground at all

We need time to move on  
Time to let go  
Time to break free  
We need time to get old  
[x2]

Thanks once again for the gifts  
But I sit and wonder  
What's been done to me now

Pretty little train wreck  
Ya know  
And maybe the light from the grave will be gone
