I got love for a woman but I don't know why.
I got empty pockets and a dirty sky,
With 10 minutes to board this train.
I'm looking over my shoulder for you to call my name.
Call my name.

Well I'm out for what it's worth,
'Cuz I'm down for the count and my place of birth,
And I meant trouble but not to you.
Who's the one that gave it all to you?
Gave it all to you.

And I keep fallig at your feet
And I got one last thing to see.
When it's over, when it's over.
Come crawling back to me.

Well my my you dress so fine,
You make it hard on a man with hungry eyes.
And I meant trouble but not to you.
Who's the one that gave it all to you?
Saving it all for you.

And I keep falling at your feet.
And I got one last thing to see.
When it's over, when it's over.
Come crawling back to me.

Well I'll find a way to get you home.
I'll find a way to get you home x3

But I keep falling at your feet.
I keep falling at your feet x3

And I keep falling at your feet.
And I got one last thing to see.

(And I keep on falling.)

When it's over, when it's over.
Come crawling back to me
Come crawling back to me...
