

Fools Gold **"The Dive"**

Visit "[The Dive](#)" on MotoLyrics.com

You're in love with the dive
And the form of a running stride
It's your only design
Where home is your last desire

And what happens when time interferes?
Is motion the only thing real?
When beauty is bound
To an orbiting cloud

No, I won't stop staring
And I can't stop from watching
No, I won't stop staring
At the fire as it grows

I once heard your call
Across the void, it was raw
It stuck like a knife
And did scare newborn life

And what happens when time interferes?
Are you convinced that you've felt something real?
When beauty is bound
To an orbiting cloud

No, I won't stop staring
And I can't stop from watching
No, I won't stop staring
At the fire as it grows
