You've got me, got me by the heart.
I want you, I want you so hard.
Things look better, better where you are.
You've got me by the heart,
Got me, You've got me by the heart.
Iâ´m watching everything you do.
My head hurts, all I want is you.
I can't go further, further than the truth.
You've got me by the heart,
Got me, You've got me by the heart (bis).
I'm captured. My hands are tied.

I'm arrested, but I don't mind.
I'll go crazy if you take your time.
You've got me by the heart,
you've got me, got me by the heart.
Your lips are sealed,
my heart is clear.
Will love return?
Will love live here?
Your lips are sealed,
my heart is clear.
Will love return?
Will love live here?
Got me, got me by the heart
Got me, got me by the heart
yeah!
