I never walk when i can run
I don't believe i ever could
People try to slow me down
Saying boy you really should
KICK BACK AND CHILL but,
I cant stand still

I called the doctor he said son
I cannot offer you a pill
So i never found relief
now i've got to move until
I had my fill I cant stand still

Back where i come from
Lifes never humdrum
I wish i could take you there
OH.....
We had the world at our feet
Life was sweet
aint no doubt
Grab a seat
Check it out!

OH.....
I THOUGH IT NEVER WOULD END
but i lost it some how
and just look at me nOW
I'm tryin hard to tone it down
Gotta watch my P's and Q's
Maybe look before i leap
and then i say "HEY WHATS THE USE"
Aint done it yet I cant foget
How it feels when you dance till you drop
So don't even start to suggest that i stop
I.. Never will
I CA.....A...NT
NO NO NO NO, NO NO NO NO, NO NO NO NO
NO NO NO NO, NO NO NO NO, NO NO NO NO NO NO
I CANT STAND STILL.....
NO NO NO NO NO NO NO NO NO NO NO NO.
