Where have all good men gone

And where are all the gods?

Where's the street-wise Hercules

To fight the rising odds?

Isn't there a white knight upon a fiery steed?

Late at night I toss and I turn and I dream of what I
need

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life (larger than life...)

Somewhere after midnight

In my wildest fantasy

Somewhere just beyond my reach

There's someone reaching back for me

Racing on the thunder and rising with the heat

It's gonna take a superman to sweep me off my feet

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I would swear that there is someone somewhere

Watching me

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach

Like a fire in my blood

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life

(Repeat 1x)

I need a hero

I'm holding out for a hero 'til the end of the night
