Where have all good men gone  
And where are all the gods?  
Where's the street-wise Hercules  
To fight the rising odds?

Isn't there a white knight upon a fiery steed?  
Late at night I toss and I turn and I dream of what I  
need

I need a hero  
I'm holding out for a hero 'til the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight  
I need a hero  
I'm holding out for a hero 'til the morning light  
He's gotta be sure  
And it's gotta be soon  
And he's gotta be larger than life (larger than life...)

Somewhere after midnight  
In my wildest fantasy  
Somewhere just beyond my reach  
There's someone reaching back for me

Racing on the thunder and rising with the heat  
It's gonna take a superman to sweep me off my feet

I need a hero  
I'm holding out for a hero 'til the end of the night  
He's gotta be strong  
And he's gotta be fast  
And he's gotta be fresh from the fight  
I need a hero  
I'm holding out for a hero 'til the morning light  
He's gotta be sure  
And it's gotta be soon  
And he's gotta be larger than life

I need a hero  
I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above  
Out where the lightning splits the sea  
I would swear that there is someone somewhere  
Watching me  
Through the wind and the chill and the rain  
And the storm and the flood  
I can feel his approach  
Like a fire in my blood

I need a hero  
Iâ€™m holding out for a hero Â‘til the end of the night  
Heâ€™s gotta be strong  
And heâ€™s gotta be fast  
And heâ€™s gotta be fresh from the fight  
I need a hero  
Iâ€™m holding out for a hero Â‘til the morning light  
Heâ€™s gotta be sure  
And itâ€™s gotta be soon  
And heâ€™s gotta be larger than life

(Repeat 1x)

I need a hero  
Iâ€™m holding out for a hero Â‘til the end of the night
