[Boy]

hey cranston, what're you doing with the preacher's daughter?

[Chuck]

Anything that I want

[Boy]

oh yeah? what does she get out of it?

[Chuck]

Everything that she needs

[Arial]

Like you'd know

[Chuck]

Well she'd like you to think
she was born yesterday
with her innocent looks
and her little town ways
when she's smilin' at me
she's got angels in her eyes

But I've seen how she moves
and this girl really cooks
she's taught me some tricks
you can't learn in a book
and I'm starting to think
she's a devil in disguise

[All]

The girl gets around
she knows what she likes (huh)
I got what she needs
wait til tonight (just wait)
We'll both make our moves
yeah, we'll cover some ground
the girl gets around,
around, around, around, around, around,
good god this girl gets around

[Arial]
Yeah he likes to pretend
he's a man among men
but with his hand in his pockets
he can't count ot ten
don't worry baby,
you're secret's safe with me

[Boys]
(BUSTED!)

[Arial]
and he bores me to tears
with his beer and his bikes
but I keep him around
cause when temptation strikes
I've got the motor
he's got the key

[All]
the girl gets around
she knows what she likes (huh knows what she likes)
I've got what she needs (yeah yeah yeah)
just wait til tonight (wait till tonight)
we'll both make our moves
yeah we'll cover some ground
the girl get's around, around,
around, around, around, around,

the girl get's around, around,
around, around, around, around
good god this girl gets around
