So long...

I've been looking too hard, I've been
waiting too long
Sometimes I don't know what I will find
I only know it's a matter of time
When you love someone
When you love someone
It feels so right, so warm and true
I need to know if you feel it too
Maybe I'm wrong...
Won't you tell me if I'm coming on too strong
This heart of mine has been hurt before
This time I wanna be sure

I've been waiting for a girl like you
To come into my life
I've been waiting for a girl like you
A love that will survive
I've been waiting for someone new
To make me feel alive
(Yeah) waiting for a girl like you
To come into my life

You're so good...
When we make love it's understood
It's more than a touch or a word we say
Only in dreams could it be this way
When you love someone
Yeah, really love someone
Now, I know it's right
From the moment I wake up till deep in the night
There's nowhere on earth that I'd rather be
Than holding you tenderly

I've been waiting for a girl like you
To come into my life
I've been waiting for a girl like you
and a love that will survive
I've been waiting for someone new
To make me feel alive
Yeah, waiting for a girl like you

To come into my life

I've been waiting, waiting for you ooh,
I've been waiting
I've been waiting
(I've been waiting for a girl like you,
I've been waiting)
Won't you come into my life?
