Your. Life. On. Fire
Your. Life. On. Fire

Oh god it never ends
I gave my life for you
And you just left me for dead
But nothing goes without consequence

Who do you think you are?
The day that you left me
Was the day I left my heart

I wanna watch you burn
I wanna be the one
To strike the match
That sets your life on fire
I wanna watch you fall
I swear I'll be the one
I am the one
I'll set your life on fire

Your. Life. On. Fire
Your. Life. On. Fire

Do you want to know what it is like to lose everything?
I'll take what you love one by one until you're left with
nothing
You should of known you can't get rid of me that easy
Now I won't think twice when I get the chance to make
you pay

Who do you think you are?
Don't you know the day that you left me
Was the day I left my heart

I wanna watch you burn
I wanna be the one
To strike the match
That sets your life on fire
I wanna watch you fall
I swear I'll be the one

I am the one
I'll set your life on fire

I'll take this gasoline then
I'll take this lighter
And I'll set your life on
I'll set your life on
Fire, fire, fire, fire

Oh god

I wanna watch you burn
I wanna be the one
To strike the match
That sets your life on fire
I wanna watch you fall
I swear I'll be the one
I am the one
I'll set your life on fire

Your. Life. On. Fire
Your. Life. On. Fire
