You make me question my life,
You make me wonder why
You make me trust in something
You make me want to try

But I always turn my blind eyes
I seem to let you slide
I know I'm missing something
I know but I just can't see it
Can I see it now?

Believe in love
Believe in trust
Believe in dreams that turn to dust,
Believe in here
Believe in now
Believe that someday I'll find how
To simply believe in me

You ask for nothing from me
You give me nothing less
You find in me the reason
You find the best I feel it
I can't feel it
Can I feel it now?

Believe in love
Believe in trust
Believe in dreams that turn to dust
Believe in here
Believe in now
Believe that some day I'll find how
To simply believe in me

But can't you see I'm falling down
And can't you see I'm calling out
(Calling out, I'm calling out)

Believe in love,
Believe in trust
Believe in dreams that turn to dust
Believe in here

Believe in now
Believe that someday, someday I'll find how

Believe in love,
Believe in trust
Believe in dreams that turn to dust
Believe in here
Believe in now
Believe that someday I'll find how to simply
Believe in me
Believe in me
Believe in me
Believe in me

Believe that someday I'll find how
