Another day goes by that I am without you
Another sleepless night thinking of you with someone
else
It didn't take you long to move on
But what will you do?
Who's gonna be there when he's gone?

This time my life's going to work out, (Whoa-oh-oh-oh)
This time I'm not going to change my mind
'Cos I'm moving on
Now that I'm feeling strong
I'm not gonna waste my time thinking of you

Once upon a time I would have done anything
Just to have you here lying next to me
But everything we fought for, everything we felt
It fell to the ground when you met someone else

But this time my life's going to work out, (Whoa-oh-oh-oh)
This time I'm not going to change my mind
'Cos I'm moving on
Now that I'm feeling strong
I'm not gonna waste my time thinking of you

I'm moving on
Now that I'm feeling strong
I'm not gonna waste my time thinking of you...

I'm thinking of you (you, you, you)...

And after all that we've been through
Nothing's changed I still love you

But this time my life's going to work out, (Whoa-oh-oh-oh)
This time I'm not going to change my mind
'Cos I'm moving on
Now that I'm feeling strong
I'm not gonna waste my time thinking of you

I'm moving on

Now that I'm feeling strong
I'm not gonna waste my time thinking of you

I'm thinking of you.
