Do do da do do da do do

Times like these are fading, Still we hesitate  
I don't know why, We don't know why  
Young and misbehaving. Laughing and never caring  
What went wrong? Where did we go wrong?

Tonight can we feel so alive, one more time  
Can we feel so alive, one more time  
Do do da do do da do do

Friends like these keep changing, Always rearranging  
Well that was then, We'll live again  
Young and misbehaving. Laughing and never caring  
What went wrong? Where did we go wrong?

Tonight can we feel so alive, one more time  
Can we feel so alive, one more time  
Do do da do do da do do

Times like these are fading, Still we hesitate  
I don't know why, We don't know why

Tonight can we feel so alive, one more time  
Can we feel so alive, one more time  
Do do da do do da do do
