Alright, ready for this? This ones for the ladies.

Well Ill tell you one thing about being in a band
You get solid girls who wanna hold your hand
So you better act quick
And you better call now
Cause if you don't ill have another girl in every town
In every town.

Let me tell you one thing about being named Dan
Im a furry man thats from Spanish land
So you better act quick
And you better call now
Because this one special offer ends right now.
It ends right now.
It ends right now.
Yeah.

(dialing)
(ringing)
