So you've no rejection
Shall we say with the ladies?
Well, uh, sometimes I want to
All right, all right, ah, ah, ah, ah, ah

I'm gonna get you in my tent, tent, tent, tent, tent
Where we can both experiment, ment, ment, ment,
ment
Yeah, yay, it's so convenient, ent, ent, ent, ent
Let's take a taxi through my tent

Oh, yay, my love is so inscrutable
In a stoic sort of way
But, by baby, it's as beautiful
As a tourniquet

I'm gonna, I'm gonna, I'm gonna, I'm gonna, I'm gonna
I'm gonna, I'm gonna get you in my tent, tent, tent,
tent, tent
Whoa, whoa, it's only common sense sense sense
I know that you won't mind the stench, stench, stench
of the sacrament

I won't let this love destroy her, I can't control this
paranoia
I'll have to get a show biz lawyer to stop me
Kill smash smash thrill spill drive fight bite trap scream
tear
Scratch, shout

Tent, tent, tent, tent

You'll be laughing like a lunatic
That just got away
Howling like a hypocrite
At an auto-da-fe

I'm gonna get you in my tent tent, tent, tent, tent
We'll find out where the woozle went, went, went, went,
went
We'll fill his footprints with cement, ment, ment, ment
We'll dance the tango in my tent
