Come and lay here beside me
I'll tell you how I feel
There's a secret inside me
I'm ready to reveal

To have you close and raise your heart
with my love
over and over
These are things that I promise
my promise to you

CHORUS:

For all of my life
you are the one, i will love you faithfully forever
all of my life you are the one
I'll give to you my greatest love
for all of my life.

o yeah...

Let me lay down beside you
There's something you should know
I pray that you decide to
open your heart and let me show
enchanted worlds of fairy tales
a wonderland of love
these are things that I promise
my promise to you

Chorus:

..all of my life

these are things that I promise

Chorus:
