He's still not getting it
He still got no job
Still got to sit at home
Still got to pay his mom

No responsibility
Just hiding himself
It's not such a bad thing
No, it's the worst

When everything's coming down
We'll be standing up
We'll never hit the ground
We keep our heads right up

He's still not getting it
He still got no job
It's not such a bad thing
No, it's the worst

And it's not even a little mistake
No, it's the cause
Even if you don't agree
It's the system or it's me!

When everything's coming down...
