I'm not writing to you
Just for myself
We know what we had
We know what we shared
The last time we met
I was killed by the brew
(You know that)

Do you wanna play hardball with me?
A lifetime long
Gone, since we met
(Can you see I'm down on my knees
Live my life without you
Or anyone)

We went our separate ways
Different direction
Every time I see you
I've got to think it through
But it happens only in those few empty days...

Do you wanna play...
